

FULL CIRCLE
BUILDING CONTRACTING

Designed. Built. Refined.

fullcirclegroup.ae

We build
your dreams

FCB is the contracting and fit-out arm of Full Circle Group, delivering high-quality construction, interior transformation, and turnkey project solutions across the UAE.

Designed to serve commercial, residential, hospitality, and mixed-use developments, FCB integrates engineering expertise with creative design execution, ensuring every project meets the highest standards of efficiency, craftsmanship, and durability.

With a strong foundation in technical excellence and the support of experienced project managers, engineers, and specialist teams, FCB provides seamless delivery from concept to handover.

Its commitment to precision, quality control, and timely execution has positioned FCB as a trusted partner for developers, investors, and property owners seeking reliable, cost-effective, and aesthetically refined solutions.

Precision in every detail

Core Services

General Contracting

Renovation & Refurbishment

Renovation and refurbishment solutions for commercial environments modernize offices, retail, and hospitality spaces. Layout optimization, MEP upgrades, and refined interior finishes are executed with minimal disruption, ensuring spaces align with brand identity, operational efficiency, and contemporary luxury standards.

Modernizing Spaces for Performance and Prestige

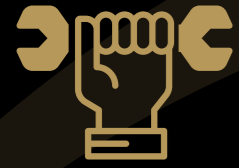

Residential, Commercial, Retail Interior

Bespoke interior solutions across retail, commercial, and residential sectors combine refined design with functional performance. Premium materials, seamless MEP coordination, and superior finishes ensure each space enhances user experience while reflecting brand or lifestyle identity.
